### *The end is in sight!*

We have only a few short weeks until the end of term and we have now appointed all of our staff (much to our shared relief!).

Ms Kathryn Killeen begins with us on Monday and Mr Craig Wilson begins with us formally after the holidays. Mr Wilson will be joining us at our first School Wide Positive Behaviour day on Wednesday 21 March and will join us at school the following week so that he can meet the staff and students. He is also hoping to join us for our Easter Bonnet Parade on Thursday 29 at our 9 am Assembly. He will return to his current school for their farewells for his last day at Thomas Chirnside PS.

Again, our huge thanks to our community for their support and understanding through this short-handed term and to our amazing staff who always 'step up' and assist above and beyond, THANK YOU all!

### *Easter Raffle!*

Thank you to the families who have donated some Easter goods to our raffle - we would love to have lots more goods donated. There will be some little secret extras (shh!) in the hampers...have to wait and see!

The Easter Raffle will be drawn at our final Assembly at 2:30 pm on Thursday 29 March. Don't forget to join us for the Easter Bonnet Parade on Thursday 29 March at 9 am, little brothers and sisters are welcome to join in with their own Easter Bonnets.

## 2019 Open afternoons and enrolments

It feels as if we have just got this year's new Exford kids settled - from our Preps to Year 6 kids. If you have a Prep child who will begin with us next year, could you email the school on [exford.ps@edumail.vic.gov.au](mailto:exford.ps@edumail.vic.gov.au) and we will add them to our list and send you home an enrolment form.

Our 2019 Open afternoon dates for tours of the school will be at 4:30 - 5:30 pm on these days:

Term 2	Wednesday 18 April, Wednesday 16 May and Wednesday 20 June
Term 3	Wednesday 25 July, Wednesday 15 August and Wednesday 19 September
Term 4	Wednesday 17 October, Wednesday 21 November and Wednesday 12 December.

## Attendance ... Every Day Counts

A reminder that family holidays should be taken during school holidays wherever possible and **not during term time**. When children miss out on learning due to prolonged absence (e.g. a holiday in school time), it is very difficult to catch them up - they often miss entire units of class work.

A reminder that all holiday absences require an Absence Learning Plan, developed with your child's teacher and signed by the Principal or Assistant Principal to cover your child's absence.

### Did you know that:

**If your child has missed 5 days or less this school year.**

This will support your child to achieve their best at school - academically and personally.

**If your child has missed more than 10 days this school year.**

The amount of time your child is missing will impact on their learning and their friendships.

**If your child has missed more than 15 days this school year.**

**Your child is missing so much time from school that it will be extremely difficult for them to keep up with their learning, their friendships and to feel connected to school.**

## Parent Helpers needed

Once we are settled in to school and classroom routines are in place, we will call for Parent Helpers for the classroom.

### Tasks will include:

- Hearing reading
- Supporting small group learning
- Admin tasks for teachers

We will have our usual Parent Helpers Info session to support you to be a classroom helper.

## Fundraising News

Our 2018 target is...

\$18,000 - \$25,000.

Our Tally so far...

\$0.00

Our Fundraising efforts work hand in hand with our school's ICT budget to provide our kids with iPads, laptops and other technologies.

Term One's Fundraising effort is our Easter Raffle, where we ask our families for donations of Easter goodies to make into hampers, for which we sell raffle tickets.

Well done to Sienna McLean, Ryan Hopkins, Soren Hoed, Jarrod Roe, Kaitlin Heap, Logan Johnson and Michael Halley who will do us very proud at the next level.

### M.P.S.S.A Lightning Premiership

Friday March 9 saw 42 Year 5 and 6 students head off to the Summer Lightning Premiership for Hot Shots Tennis, Cricket and Volleyball. This is the first year we have competed in Hot Shots (previously bat tennis) and the students handled a complex round robin very well and should be incredibly proud of themselves. Our girls cricket side put in a valiant effort and played their best, while our boys cricket side showed outstanding sportsmanship while coming away as Melton District Premiers. The mixed Volleyball team also had an outstanding outing also coming home Melton District Premiers.

# Apple Learning Experience in 3/4 King

It was an exciting experience for students to discover how to use an iPad as a learning tool for school and at home. They worked collaboratively together and completed tasks related to PBL using the applications called Keynote, iMovie, Popplet, Book Creator and Pages. The students absolutely loved the experience and enjoyed presenting their ideas in creative ways.

I liked using the iPad for the thesaurus in Writing. I learnt how to use Keynote and to include a magic move. I loved taking the iPad home to show mum that it was for learning as well.

I think it helped the class, because it had a thesaurus. I liked that you could create stories, movies and music.

I thought it was fun and it was cool that we got to learn how we can use the iPad for school work.

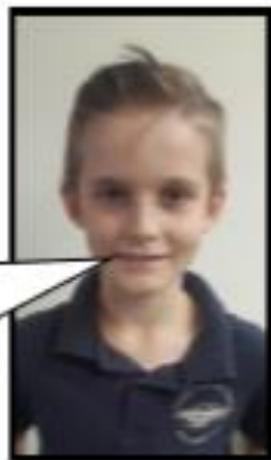

I enjoyed making a movie and doing the music. I also enjoyed taking it to LOTE and doing learning on it.

I think it was great, because I liked typing on the keyboard and I liked using Keynote and iMovie.

I enjoyed learning how iPads are not just for games, they can help you in learning.

I liked it when we got to use iMovie to make a movie about myself.

I enjoyed exploring new apps. It was fun having extra iPads, so we could have one each.

I enjoyed using different apps and using it more than usual to help with learning. I also liked taking it home to finish off work.

## 2018 School Captain Speeches

Here are the School Captain speeches from the students who wished to have their speeches in the Newsletter. Well done to all of our Year 6 students who put themselves forward for this huge school leadership responsibility and honour. This is a role to which many of our Year 6 students aspire. Thank you to our Year 6 students and staff for their work in selecting our student school leaders.

### Michael - 2018 School Captain

Hello everyone,

My name is Michael. Firstly, I'd like to thank you for giving me an opportunity to re-present the first speech I've ever given in my life. Hopefully, I won't make any of you yawn while you listen to my speech!

Secondly, we need to congratulate all the people who had prepared a presentation. No matter who was successful in the end, I'd like to say that you are very brave for trying,

Being a School Captain is a big responsibility. You need to be good at communicating with people, have a skill for team work and a growth mindset. I'm not sure if I can achieve all of them, but I will try my best to reach that level and follow my own path.

I always try to be a positive person. I love to listen to other people's suggestions, no matter if they're helpful or not. I try never to be too attached to my own ideas. If it's someone else's idea that is chosen, and is the best thing for Exford, then I don't feel upset with the issue.

At the moment, if someone told me to read something to an audience, I would probably try to stall and run away ASAP! But I know I need to grow in confidence to be a great School Captain and I will try my hardest.

### Stella - 2018 School Captain

Hi, my name is Stella and I moved to Exford at the start of Grade 2. This year, I was in the running to be your School Captain for 2018.

Since joining Exford, I have represented the school as Junior School Councillor, a Bus Monitor and a Digital Leader. I have also represented Exford in swimming, Athletics, Volley Ball and Cricket. I love being apart of a team and helping the team succeed. This proves that I will take on the responsibility of a School Captain.

Here are a few reasons why you voted for me:

- I love helping out, whether that's with little kids who need a friend or miss home or helping teachers in their classrooms.
- I take being a Bus Monitor very seriously and I got the 'Mother Duck' award for looking after little ones and taking them under my wing.

I will give up my recess and lunch times to complete the duties of a School Captain, wherever I am needed. I'm here to listen to any ideas you have. I also have some ideas to make our school more environmentally friendly - like starting a no-rubbish Wednesday competition.

I'm proud to be a student at Exford and I am really looking forward to being your School Captain. Thank you for your time.

### Sarah - 2018 Vice School Captain

Hello Exford,

My name is Sarah I am one of the 2018 Vice School Captains.

When I look back on my time at Exford, the one thing that stands out to me the most is the way that we have bonded and made great friendships and I think we are all very unique. Today I want to share with you some of the things that make me unique and the different qualities I have to offer as your 2018 Vice School Captain.

I have and always will respect you and everybody for who you are and I promise I will always be kind, even if I am put in any situation whatsoever. I would like to help promote kindness amongst my peers and younger students and be a positive role model 24/7.

I love new ideas and innovation, I think if we put our minds together, we can make Exford ever more unique and forward thinking, I am all for your inspirational ideas and thoughts for exciting new activities throughout the school.

I understand the level of responsibility that this role would bring, as I have been a JSC and I thoroughly enjoyed the opportunity and responsibility that job had to offer. I'm very responsible and I have always followed the school rules. I have a reputation of keeping my promises and I will never let you down.

Thank you all for your time. With me as your Vice School Captain, I promise to make 2018 our best year yet.

### **Mackenzie - 2018 Vice School Captain**

Hi, most of you know me, but in case you don't, my name is Mackenzie and I've been at this school since Prep - that's 7 years!

As a former Junior School Councillor, I knew that becoming one of the School Captains would take up some of my lunch times and I am willing to do this.

First things first, I'm not going to make empty promises. I know that if I make promises and don't fulfil them, people will see me as untrustworthy. One of the main values of being a School Captain is Trust, along with Kindness, Personal Best and Respect - all of which are our school values. I will not make promises I can't actually keep.

Before a decision was made, I believed that if I wasn't successful in becoming School Captain, I would have been happy to know that the role would go to someone who deserved it. It should not be a popularity thing. The way I see it, is that the person who is willing to do everything and I mean EVERYTHING! for this school should be the person chosen.

I am so glad it was me and I know I can make one promise now that I am a Vice School Captain, I will do as much as I can to make this school even more awesome than ever. Even if I hadn't become a Vice School Captain, I would still have done as much as I could to make Exford more amazing.

As a loyal and approachable student at this school I will be the voice of the kids. Being a caring person, I am very easy to talk to and kids come to me to talk about problems in the yard and ask for my help. I will listen and give them my advice and suggestions; whether it's to tell a teacher or just to stay away from the person, I will help, no matter what.

I am glad you have considered me to be a Vice School Captain.

### **Imani**

Hi, My name is Imani and I would love to be your School Captain.

I want to be a School Captain so I can inspire others and most importantly, help Exford grow. I am a good role model for other kids, I follow the rules and the school values are important to me. I am respectful to teachers and students and I treat everyone with kindness. For example, I always check and ask everyone if they are ok if they are sitting alone or they seem sad. Being outgoing and confident means I'm not afraid to be on stage and I LOVE to talk. I will always take the time to listen to you and your ideas. I am trustworthy and ready to help anyone at any time. As your School Captain in 2018, I will always try, I will never give up and I will encourage others to do the same. I will set goals and I WILL achieve them. I am eager to learn all about being a great School Captain and I AM ready to take on these responsibilities.

Please vote for me as your 2018 School Captain

### **Chloe Mc**

Hello, my name is Chloe,

I would love to get the role of SCHOOL CAPTAIN. I love putting a smile on everyone's face, unlike some others they enter the school grounds believing that school is boring and draining. I believe that I can change their mindset and put a new outlook on school. I will help every child out there feeling sad, to make their day shine.

It is my 7th year at Exford Primary School. Over my time here, I have noticed many amazing qualities from previous School Captains and I believe I show many of them. Even if I don't get the role of School Captain I will continue to show all of the school values and my best qualities with you.

I believe that School Captain is a great privilege and I would love to have the chance to be one. I will take time out of my recess and lunch to meet with students and staff to help Exford reach its goals. I believe that whoever you pick as your School Captain will be a great choice.

Thank you for listening!

### **Lila**

Hello Year 5-6s,

My name is Lila and I would be interested in going for School Captain. I may have only been at the is school since the middle of Year 5, but I've heard how much this school has ground - from 96 kids to 421 kids and I respect Exford for what it is. Exford Primary is an amazing school and the School Captain role is one of the many reasons why Exford is such a great school. This is why I will always be a good role model. I will always show respect to others, I will always do my Personal Best and show Kindness to everyone. So come on, vote for me. I will be an amazingly cool School Captain!

VOTE FOR LILA!!

**Mia L**

Hello my name is Mia,  
I truly believe I could make a change to the school. I will happily take my time off on my lunch times to do my job and to make sure everyone is safe and doing the right thing. It will be my pleasure to take the opportunity to be the most challenging and most caring School Captain. I will be reliable and kind and this will be my chance to build my confidence and courage and to prove to everyone I would make a change to the school and to change the way people think of themselves.

And to be the leader of the school, most of all, to be a great presenting role model - I want to be a hard-working, trustworthy, show great team work and leadership. As School Captain I will be here to help out. I will be here to keep people and students safe, I'm here to stand out and make a change. I have a personality inside that's caring and responsible, so this year I'm standing up and switching around my mindset into a possible, productive and positive mindset! I will be everything you imagined me to be, a caring, trustworthy, responsible and positive captain.

But wait one more thing, I don't just want myself to be positive... I want everyone single one of you to think positively and differently about yourselves, too!

## Before School / After School Care Program

### Program Update

At OSH we have been discovering what we can make using our recycled materials from our new recycling station. Some of the children made cardboard tube mermaids and animals, while others created amazing buildings. The children have also carried on having a lot of fun without dress ups, pretending to be large families on vacation heading to the beach in a mini bus, using chairs as car seats and cardboard as steering wheels. Outdoor play has seen us playing group games such as octopus, Chinese walls and Pacman while also still exploring the playground and building in the sandpit.

We are trying to gather some more resources for our recycling station so if you have any of the following, could you bring them in, please: Plastic bottles, cardboard tubes (not toilet rolls), can tabs and bottle caps

#### Friendly reminders:

**PLEASE ensure that if your child/ren are booked into OSH Club that they are NOT booked on the School bus. This is very important as if your child does not remember to go to OSH Club, they may end up leaving the school on the bus.**

If your child is due to be absent or needs to be booked in on late notice (less than 24 hours) please ensure you call and leave a message to ensure we have adequate staffing. Although this is only for emergencies. Please make the bookings online as much as possible.

Please keep the enrolment form updated all the time. If you want someone other than yourself picking up your child, please add them to the emergency list or provide us with a written request.

Thankyou from the

OSH Club Team!

- Enrol students with a sibling at the same school at the same permanent address who are attending school at the same time.
- To contain enrolments in each school within the limits of available resources.
