

# 2018 - About My Prep Child information form

As a parent, you are the expert about your child and one of the people who know them best. This means that the information you can give to us about your child is incredibly valuable. The more information you can provide, the better we will be able to provide a program that will meet your child's educational, social and communication needs. This type of information is important so that we can understand your child's skills, strengths and weaknesses. Please understand that this information is **confidential** and you are giving your consent that it will only be shared with other members of staff **directly** involved in working with your child.
