

Weir Views - Exford PS Bus Run

Your Child/Children have been registered on our new bus run, commencing this Monday 15 February. Please find an updated timetable, with slightly altered times.

For parents in **Exford**, you will note the stop has changed. We are utilising an existing bus stop on the corner of Murphy's and Wollombi Road.

If your child can not catch the bus on their registered days, please use FlexiSchools to log a bus absence. (This bus is bus number 3)
