2020 Enrolments

If you have a little one starting school next year, please collect an enrolment form from our school Office and return it promptly, along with the birth certificate (we can copy it for you).

From Term 3, we begin our detailed planning for next year and having accurate enrolment numbers is always helpful - particularly with our school upgrade planning happening at the same time. I need to be negotiating with the Department about classrooms and I need accurate enrolment numbers to do this well.

Cut out & stick me to the fridge!

100 Days of School!

There was huge excitement today for our 100 Days of School celebration for our Prep children! The children came to school, all dressed up in fabulous ways to recognise the theme of '100'. There were lots of special activities during the day and lots of happy smiles. Here's just a few photos for you - there'll be more to come, I'm sure!

100 Days of School...continued!

Devon Smith

Thanks to Mr Wilson for organising a visit from Essendon great, Devon Smith, today as part of our Gotcha prizes. We'll include some happy snaps next newsletter.

Congratulations to Ms Watt

Congratulations to Ms Watt and her partner on the happy news that they are having a baby later this year. Ms Watt has shared the news with her class this afternoon. Ms Watt is planning to work until the end of the school year, health permitting. Exciting news!

Mrs Bissell's news

Mrs Bissell has made the difficult decision to resign from her role at Exford. She has decided that at this point in time, she wants to focus on being a full-time mum. We will farewell her at the Assembly on her last day of work - Friday 9 August.

We will be advertising for a replacement ES staff member through the Department's Recruitment on Line website.

New Sandpit

Thanks to Mr Bowden who has spent every moment of his days at EPS this week preparing our new sandpit so that the it can be filled with sand on the weekend.

A huge thank you to Maison and his dad, Brent, for answering our call for help and arriving with their bob-cat last Friday afternoon. A big thank you to Brent's firm who gave him the ok to come and do the work for us. An appreciation certificate is on its way.

Thank you also to the family of Krysta-Ray and Stella (and Ned next year!) for volunteering to help, as well.

Here are some progress photos.

School Activities

We have a number of activities coming up at Exford this term and notes have been sent home for all of them - one set per child.

Our Office team continue to be unwell at the moment and have been absent most of the week, so a big thank you to some mums who helped me get these notes organised!

Thank you to - Amanda (Cailtyn, Ava and Hayley), Chantelle (Candy, Aleks and Casie), Danielle (Isaac and Xavier) and Jacki (Claire) who cheerfully volunteered to help out, as well as Mrs Bissell.

I have sent the forms out electronically through FlexiBuzz and Mrs Kelly will add the payment amounts to QKR on her return (she's hoping for tomorrow). The school activities have varied return dates as listed here:

- BBQ order for all children (on our Prep-2 Sports Day on 21 August) - due back by Friday 16 August by 9:30 am
- Wednesday 21 August - Year Prep-2 Sports Day - Mr Young has uploaded the Sports House children are in via Seesaw for you
- NED Show - yo-yo orders due back between Friday 9 August - Friday 16 August by 9:30 am each day (yo-yos will be delivered to classrooms by lunchtime on the day of ordering)
- Book Week Performance (on Friday 6 Sept) - form and \$7 due back by Tuesday 3 September by 9:30 am

Fun times ahead at Exford PS!

Our School Upgrade - Stage 2 has begun!

We had our selection panel meeting on Tuesday 23 July where we heard the Architect companies' presentations and we have chosen the best architects to work with us as we begin our school upgrade plans. Once the Department has engaged them, I can share the company's name and they will come to our school for the start-up meeting. A big thank you to Mr Wilson and to our School Councillors Jacki, Michael and Sharon, who joined me on the selection panel.

Child Safety Update:

Child safety is a high priority at EPS and we have zero tolerance for child abuse. With this in mind, we have processes in place to ensure the safety of our students with all adults they interact with through the course of their schooling. This includes processes for volunteers, recruitment and visitors. Volunteers are an important part of our school community and we encourage our parents and carers to volunteer their time to participate in a variety of activities. All volunteers and visitors will be required to provide a current Working with Children Check and complete a volunteer induction. If you would like to volunteer and need some more information about Child Safety, you can view the Child Safety Policy and Volunteers policy on the EPS website. <http://www.exfordps.vic.edu.au/about-our-school/policies>

Parent Opinion Survey 2019

We want our parents to tell us what they think! Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents.

It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 100 parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from Monday 22 July to Sunday 11 August. The survey will be conducted online by ORIMA Research Pty Ltd and only takes 10-15 minutes to complete. The parents randomly selected by our Cases 21 program were sent a letter and an individual log-in code for the survey. For further information, please visit:

2020 Year 5-6 Tasmania Camp

We are really excited that our School Camp for students in Year 5-6 for 2020 will be held in Devonport, Tasmania from Monday 2 (from 4:00 pm) - Friday 6 March (arriving 7:30pm) 2020.

We will be staying at the Mersey Bluff Caravan Park in Devonport, where students will camp in tents for 3 nights. Students will travel to Devonport via the 'Spirit of Tasmania', spending the night on the ship in a cabin on Monday 2 March and a day trip home on the ship on Friday 6 March.

Students will have the opportunities to learn how to surf, experience travelling via ship, travel interstate, learn about Aboriginal culture, explore caves and mazes, local towns and the area of Devonport.

The approximate final cost of the camp is \$415 per student for 4 nights and 4 days.

Does your preschool child have access to connected devices?

81% of parents say their preschool child uses the internet.
37% think their child spends too much time online.¹

Being online at this age can offer your child opportunities to learn through exploration, play and social interaction. But there may also be some risks if your child uses connected devices without supervision or for extended periods of time.

This might include coming across harmful content, contact with strangers or missing out on physical activity.

Here are our tips for a safe and balanced online experience for your preschool child:

Set ground rules

Establish clear rules and be consistent

Be clear on things like when and where devices can be used and when they need to be switched off. A good time to switch off is during family dinner time and when your child is alone in a room.

Use a timer

Limit the amount of time your child spends online to ensure a good balance with physical activity. It can be easy to lose track of time, so setting a timer can help.

Resist any push back

Getting your child off a device can be hard and it can be tempting to give in to their demands. Sticking to the rules at this age will help instil good online habits for your child now and in the future.

¹Survey of 3,520 Australian parents of children aged 2-17

Be involved

Get to know your child's toys and devices

Be aware of the capabilities that come with a device, app or internet connected toy. Check the device guide and look out for any built-in cameras, microphones, chat functions and location settings that are not needed and can be deactivated.

Supervise and explore together

It's easy for your child to explore through a touchscreen and accidentally access inappropriate content. Explore together and keep an eye on your child in case they come across something that might upset or confuse them.

Know what's good and what's not

There's a lot of content on offer for your child. Common Sense Media can help with independent, age-based and educational ratings and reviews for a range of content, including online games, apps and websites. ([commonsensemedia.org/reviews](https://www.commonsensemedia.org/reviews))

Manage access

Bookmark the good stuff

Make a list of favourite sites and apps that are safe and that your child enjoys. Show them how to access these.

Block the nasty stuff

Use parental controls and safety features that are available on the device or through apps, web browsers and service providers. These can help block inappropriate content. However, keep in mind that tech tools can't block all the bad stuff—you still need to back it up with supervision. (esafety.gov.au/parental-controls)

Disable in-app purchases

Lots of apps feature additional payments for extra content. It can be easy for your child to accidentally rack up a big bill on your account. Restrict in-app purchases through settings in Google Play (Google Play > Settings > Require authentication for purchases) and on iPhones, iPads and iPod touch (Settings > General > Restrictions).

Support positively

Start the conversation

It's never too early to start talking about safe and respectful behaviour online. Help your child understand that what they say or do online is important.

Get other trusted adults on board

Teach your child that it's important they come to you or another trusted adult (such as an aunt, uncle, grandparent) if they are upset because of anything they see or experience online.

Know where to go for extra support

If your child is distressed because of anything they have seen online, then seek professional advice from your GP or Parentline (parentline.com.au) on 1300 30 1300. Raising Children Network (raisingchildren.net.au) can also help with a range of resources and information on development, learning and health at this age.

Attendance ... Every Day Counts

Did you know that:

If your child has missed 5 days or less this school year.

This will support your child to achieve their best at school - academically and personally.

If your child has missed more than 10 days this school year.

The amount of time your child is missing will impact on their learning and their friendships.

If your child has missed more than 15 days this school year.

Your child is missing so much time from school that it will be extremely difficult for them to keep up with their learning, their friendships and to feel connected to school.

A reminder that all holiday absences require an Absence Learning Plan, developed with your child's teacher and signed by the Principal or Assistant Principal to cover your child's absence.

Fundraising News

Our 2019 target is...

\$18,000 - \$25,000.

Our Tally so far...

\$4,934.00

Our Fundraising efforts work hand in hand with our school's ICT budget to provide our kids with iPads, laptops and other technologies.

We will hold a range of fun fundraising activities throughout the year, some small and some, like our 'Athon' activity and our end of year Raffle and Christmas Concert BBQ, our major efforts.

Term 3 Fundraising activities

Tony's Pies

Each year, we hold a Tony's Pies fundraising activity. The order forms were sent home on Friday 28 June and orders were due back on **Friday 26 July**. The pies will be delivered to school on Tuesday 6 August and will be available for collection from 2:30 pm in the staffroom. Please note that all pies must be collected as we have no capacity to store them for you.

Father's Day Stall Planning

Thank you to Chantelle (Candy, Aleks and Casie) and Bec (Eddie and Jai) for taking on the responsibility for organising our Father's Day Stall.

The Father's Day Stall will be held on **Wednesday 28 August** in the Staff room. If you can help at the Stall on the day, please contact Ms Killeen on killeen.kathryn.k@edumail.vic.gov.au or Jacki, our School Council President on mcdonald.jacki.j@edumail.vic.gov.au

Happy Birthdays!!

To our students who celebrated their birthdays from 18 July - 1 August

Thomas K, Raminderpreet, Olivia M, Mia Gr, Bailey N, Elizabeth F, Nufaysa, Marshall, Violet, Xavier Z, Lucy D and Jaida.

Happy Birthday to you!!
Happy Birthday to you,
Happy Birthday dear kids,
Happy Birthday to you!

We love celebrating birthdays at school, making a fuss over the child who is celebrating and **birthday cup-cakes** are *always* welcome! We also love for birthday children to visit us in the Office for a sticker and birthday song.

Having birthdays at school is a very special event and if your child is absent on their birthday, they miss out on all the fuss made over them.

Please enjoy pages from some of our classes.

Cinquain Poetry

Year 1-2W have been learning about poetry. One of the poems we have written is a cinquain poem. Cinquain poems include:

- Title
- 2 words that describe the title
- 3 verbs about the title
- 4 word phrase to express feelings about the title
- 1 word synonym for the title

Below are some of the students' cinquain poems.

What to do:

You and 3 friends have won a prize from the local bakery. There are 48 delicious mini cupcakes available to be shared out.

Would you get more if they said,

'Share these cupcakes evenly among you.'

OR

'Each winner can have 6 cupcakes.'

Work with a partner to solve this problem. Show your working out below.

PROBLEMS TO SOLVE

Baa, baa, black sheep,
 Have you any wool?
 Yes, sir, yes, sir,
 Three bags full;
 One for my master,
 One for his dame,
 And one for the little boy
 Who lives down the lane.

What is a multiple?

A multiple of a number is the result of multiplying that number by an integer (whole number) - just like times tables!

Some multiples of 2

2, 4, 6, 8, 10, 12

Some multiples of 3

3, 6, 9, 12, 15, 18

Some multiples of 5

5, 10, 15, 20, 25, 30

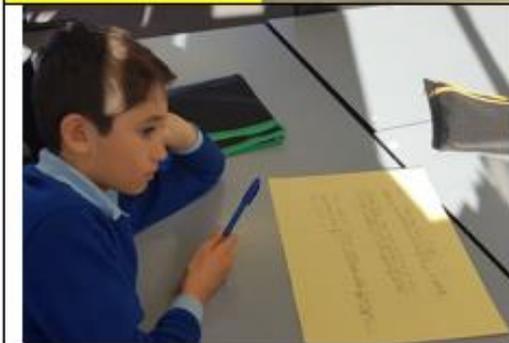

If one number is a multiple of another, it will divide exactly with no remainder.

12 ÷ 2 = 6 so 12 is a multiple of 2
(2, 4, 6, 8, 10, 12)

15 ÷ 3 = 5 so 15 is a multiple of 3
(3, 6, 9, 12, 15)

Use division to find out if one number is a multiple of another.

You can also use divisibility tests or rules for large numbers.

What is a factor?

A factor of a number is any amount that divides into that number exactly, leaving no remainder.

e.g. 2 is a factor of 12, because 2 goes into 12 six times (2 x 6 = 12). This means that 6 is also a factor of 12.

Here are all the factors of 12:

1 x 12 = 12

2 x 6 = 12

3 x 4 = 12

The factors of 12 are 1, 2, 3, 4, 6, 12.

Tip: Learn your times tables thoroughly to help find factors.

Before School / After School Care Program

Program Update

This week the weather has been not so great, so we have been stuck inside for most of the week, but this hasn't stopped the children from having all kinds of fun. Our most popular activity for the week would have to be Skylanders. This activity has been popular with both BSC & ASC groups. Skylanders allow the children to use their imaginations as well as using other skills and materials to build a habitat/world for them.

Another fun activity has been connect 4, at the beginning of the week we planned out a tournament which would run for 3 days, This classic game is great for making a traditional tic-tac-toe three-dimensional, Connect Four asks children to transfer what they see on paper to real life. They have to think ahead to figure out how to block opponents from winning.

When we were able to get out the children enjoyed making their own long jump competition in the sandpit, this was great as the children had to work together to make sure the sandpit was raked over after each person's jump. Down ball has also been very popular with all children, the preps are starting to get the hang of the rules and we are

looking forward to running a competition later in the year.

Friendly reminders:

We know it can be hard to book in online sometimes, but we are nearing capacity each session and we would hate for your child to miss out on all the fun as the staff to child ratio is 1:15

Please be aware bookings made less than 24hrs before start of your requested session will incur a \$4 late fee per child

Please keep the enrolment form updated all the time. If you want someone other than yourself picking up your child, please add them to the emergency list or provide us with a written request.

PLEASE ensure that if your child/ren are booked into OSH Club that they are **NOT** booked on the School bus. If your child does not know / remember to go to OSH Club, they may end up leaving the school on the bus.

If your child is due to be absent or needs to be booked in on late notice (less than 24 hours) please ensure you call and leave a message to ensure we have adequate staffing - although this is only for emergencies. Please make the bookings online as much as possible.

Please keep the enrolment form updated all the time. If you want someone other than yourself picking up your child, please add them to the emergency list or provide us with a written request.

Thankyou from the OSH Club Team!
