## **Ms Campo's News...**

### **Student Attendance and Tutoring**

Given the challenges of 2020's Remote Learning, we strongly encourage students to be at school EVERY SINGLE DAY, unless they are unwell. Wherever possible, we encourage families to make appointments outside of school hours and if not possible, to make the appointments early morning or late afternoon so that the children are at school for as much of the day as possible.

We urge parents not to keep the children home for any reason other than ill health or an unavoidable appointment (please don't keep children at home for social reasons e.g. birthdays, shopping, family visits). **Every day in the classroom and at school counts - even more so than in previous years.**

The Tutor programs the Department has implemented this year across all schools is now underway and if children miss a session, it cannot be made up. Ms Anderson is our designated Tutor teacher and she is currently working alongside the Year 3-6 classroom teachers so that between them, they can provide additional targeted teaching in reading. We will move the additional support to other year levels next term.

**We remind parents to use our FlexiSchools app or to email the school on [exford.ps@education.vic.gov.au](mailto:exford.ps@education.vic.gov.au) to advise us of a student's absence. It is a DET requirement that every day's absence is explained in writing.**

## Attendance ... Every moment of every day counts

### Did you know that:

When children regularly arrive late, they miss out on so much:

- They miss on the lovely morning meet and greet that connects children to their classmates, staff and classroom environment and is an important part of children feeling that they belong
- We schedule literacy and numeracy for our morning lessons - so regular lateness means that children are missing critical learning
- The opportunity to prepare for the school day (including changing their Take Home book for reading that night)

**Please help your child to arrive on time for school every day - especially as we try to support children even more after the Remote Learning challenges of 2020.**

**Please make sure that your child is only absent if they are unwell - EVERY day at school counts.**

**If your child has missed 5 days or less this school year.**

This will support your child to achieve their best at school - academically and personally.

**If your child has missed more than 10 days this school year.**

The amount of time your child is missing will impact on their learning and their friendships.

**If your child has missed more than 15 days this school year.**

**Your child is missing so much time from school that it will be extremely difficult for them to keep up with their learning, their friendships and to feel connected to school.**

A reminder that all holiday absences require an Absence Learning Plan, developed with your child's teacher and signed by the Principal or Assistant Principal to cover your child's absence.

Please make sure that you use the FlexiSchools app or email the school directly on [exford.ps@education.vic.gov.au](mailto:exford.ps@education.vic.gov.au) - all student absences must be explained in writing.

## 2021 School Captain speeches

Thank you to all the students who chose to share their School Captain speeches through our school newsletter. Congratulations to all our Year 6 Students who participated in the selection of our Year 6 school leaders.

### Phoebe - School Captain

Hi, I'm Phoebe and I'm your School Captain for 2021! I am so honoured to be your School Captain!!

To quote Martin Luther King Jr, he said, 'If you can't fly then run, if you can't run then walk, if you can't walk then crawl, but whatever you do you have to keep moving forward!!'

I personally love this quote, since I believe you should never give up, giving up is just proving that you can't do it and you should never have that mindset.

I can't promise you that will have a longer recess or get a slushy Friday but what I can promise you, is that I will always make sure you move forward with learning and having fun. I love Exford, it's a great place and I've been at Exford for nearly 7 years. In my experience, you never want to leave Exford, you always enjoy yourself which is one of my goals as your School Captain to make sure it stays that way.

While I'm your School Captain, I promise you that I will show you all the amazing things you can do. I'm Phoebe Zammit and thank you for listening.

### Jack - School Captain

Hi, my name is Jack.

Thank you for voting me as your School Captain.

Let me tell you a bit about myself, I have been at Exford PS since Prep. I love sport, my favourites are footy and athletics.

As your School Captain, I will look out for all the kids at school, make them feel included and safe and happy. Now that I am School Captain, it would help me overcome my fears of talking in front of lots of people on stage and help me to be noticed. It has also made my family proud.

I would make a fantastic School Captain because I am a nice person and friendly to everyone and I think that would make kids feel more comfortable coming to talk to me in the playground, if they are upset or if they are hurt.

I will show respect by listening to what everyone has to say, and I will try my hardest to be the best School Captain I can be.

As your School Captain I will always show the school values of Kindness, Respect and Personal Best.

Thank you for your time!

### Sophie - Vice Captain

Hi, my name is Sophie and I am your School Vice-Captain.

For those of you that don't know me, I am a caring and friendly person.

Some of my best memories have been made here at Exford and I want everyone to have the same amazing experiences and continue to create a fun and safe space for you all to make your own special memories.

I would like to encourage you all to try your hardest and never give up.

We may be small, but all have big dreams and Exford is the place to make it happen.

Just as Dr Seuss once said...

Don't give up,

I believe in you all,

A person is a person,

No matter how small.

Thank you for voting for me. I will always try to help and guide you so that you can reach for your goals and be the best that you can be.

Thank you.

## Jaron - Vice Captain

Good day to all teachers and my fellow students!

For those who don't know me, my name is Jaron. I started Exford Primary School in Prep and I stand before you today as your Vice School Captain for this school year.

I believe the role of a Vice School Captain is not just a title, but it means being a good leader and a representative of our school.

As I mentioned before, I would recommend to the leadership team to encourage each student to actively participate in school activities. Another one is a charity event to help those in need, especially in these tough times.

This is also the best time to join hands together as we face a new Covid normal life and we must do our best to keep a safe and healthy school environment.

Respect, Kindness, Personal Best are Exford School values and my guide as your new Vice School Captain. Thank you for giving me the opportunity to serve you.

## Allyson

Hi, my name is Allyson and I have a question for you. Would you rather vote for your friend who does not have a very good speech or someone you don't really know, but they have an amazing speech? I bet most of you would choose your friend. But would you rather a leader that would not help at all or a leader that would try their best and try to help everyone, when they need it? I promise to be the leader that does their best and tries to help everyone. That is why I believe you should consider voting for me for School Captain. I also promise to show the school values of Kindness, Personal Best and Respect, to everyone and everything.

## Gurnoor

Hello, my name is Gurnoor. I am really passionate about becoming a School Captain. In our school we have our three values, they are Kindness, Respect and Personal Best. Each teacher wants us to have our three qualities of these values. In kindness you have the quality of being kind and generous. Kindness can be a small thing like saying good morning, or good afternoon to someone to make their day. In respect we should listen to our peers and anyone talking like the teacher, we should also listen to. Also, we should respect our environment and nature. Personal best is being a great school role model, we have a big growth mindset, we should all be grateful to our school and our teacher and students.

If you would like to vote for me, please vote, if not, thank you for listening to my speech.

## Gus

Hi everyone,

My name is Gus and I want to be a School Captain at Exford Primary School, in 2021.

What I want this year is for my actions to inspire others, to learn more, do more and dream big.

I want the kids of Exford Primary School to always know they can do anything they think they can do.

I want us all to work together, dream big and make this school the very best it can be. The best for all students, the academics, the sporty kids, the creative ones and everybody in between. We are one and need to support each other through our school journey. So today I ask for you to support me. Let me lead you through a great 2021. And remember, people who are crazy enough to think they can change the world, are the ones that do.

Thank you

## Isabella

Hello everybody, I'm Isabella and I'm nominating myself to be School Captain. This is my third year attending Exford, I believe that I would be a good mentor and ambassador for the school. I believe that this job is hard, but I enjoy challenges. I wear my school uniform with pride, I take good care of the school, while I enjoy my days at Exford. I will carry the school values wherever I go, in the school yard and around the public. The school values are my values. I wish all the students who nominate themselves, good luck.

## Talan

Hello, my name is Talan and I'm here to tell you how I would be a good School Captain.

I was going to write my speech on this piece of paper, but it was *tearible*.

Sorry about the silly joke, but I can't help to be a mushroom, you know I'm a fun guy.

Now Let's get serious, as you might know, I live in the bush at Greendale and with my Dad in Eynesbury. I have a lot of pets from dogs to lizards to sheep. I really enjoy going wakeboarding, riding my scooter and jumping on my trampoline. In my spare time I like to earn pocket money by doing chores at my neighbour's house and I like helping with my little sister. I've been going to Exford for six years and I've love it.

Now, why you would vote for me. I think I would make a good School Captain because I love helping others. I believe I'm a good role model to all students and I would love to wear the School Captain's badge on my jumper and lead the way to making Exford Primary the happiest school ever.

I think I'm ready to be a School Captain, because at home I'm already a leader and a role model to my brother and sister and if you know my brother, he's a handful.

That's why I think I should be a School Captain.

## Exford Primary School Uniform Requirements

Dear Families,

Now that the year is underway, you may have received a uniform note for your child. We are seeing a number of children wear these uniform items which are not part of our Exford PS school uniform. Any uniform items purchased elsewhere must look like the uniform items available through our Uniform shop.

A number of students are wearing a navy blue zip up jacket - this is not part of our uniform.	A netball / sport skirt or these types of skirts are not part of our uniform	
		
These uniform dresses are not part of the Exford PS uniform.	This is the only school dress which can be worn, and it is only available from our school Office.	
		 <p>Please note that only <u>navy-blue</u> or <u>white</u> stockings or leggings can be worn with the school dress.</p>
These are the school windcheaters which can be worn.		This is the only jacket which can be worn, and it is only available from our school Office.
		
Our school hat (with the Exford PS logo on the front) is only available from our school Office and must be worn at recess, lunch and other outdoor times (including PE lessons and Sports activities).		

Please come and see us in the Office if you have any questions about our school's uniform or require assistance in providing your child with uniform. We encourage our children to wear our uniform with pride!

Yours Sincerely,

Lisa Campo  
Principal

# The Nature Walk

## Prep Monagle

On Monday our class went on a nature walk together around our school. We found interesting items like leaves, flowers, feathers and rocks. We brought them back to the classroom and then 'wrote' about our experience. We have been learning how to draw using shapes and are beginning to label our drawings with the first letter of a word.

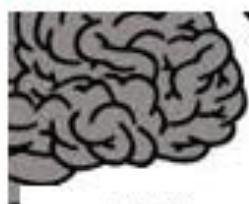

We are also learning to add more detail to our drawings.

It has been great watching the students gain confidence with their drawing and begin to write letters.

### FIXED

I can't do anything.  
They aren't listening.  
This is hard.

In 3/4 Gashi, we have been learning to understand why the word 'YET' is so powerful! In order to do that, we engaged with a challenging task. We were given 20 sticky dots, and 20 pieces of card to work together as part of a team to construct the tallest tower. The real challenge, however, was to see if we were using a fixed mindset or a growth mindset!

### GROWTH

I can't do this yet.  
That's a good idea.  
Let's work together.

This activity was inspired by the book 'The Dot' by Peter Reynolds

It is about a girl who didn't believe in herself, and the only
