Ms Campo's News...

Student Attendance and Tutoring

Given the challenges of 2020's Remote Learning, we strongly encourage students to be at school EVERY SINGLE DAY, unless they are unwell.

Wherever possible, we encourage families to make appointments outside of school hours and if not possible, to make the appointments early morning or late afternoon so that the children are at school for as much of the day as possible.

We urge parents NOT to keep the children home for any reason other than ill health or an unavoidable appointment (please don't keep children at home for social reasons e.g. birthdays, shopping, family visits).

Every lesson, every day in the classroom and at school counts, even more so than in previous years, as we support children to 'catch-up' on their learning, their friendship and wellbeing.

We remind parents to use our FlexiSchools app or to email the school on exford.ps@education.vic.gov.au to advise us of a student's absence. It is a DET requirement that every day's absence is explained in writing.

Cut out & stick me to the fridge!

Reading every day

Our classes are focusing on supporting our kids to strengthen their reading habits - it is CRITICAL that the kids are reading daily or being read to. I love this excerpt from some research into the impact of reading (or being read to) for 20 minutes daily.

THE IMPACT OF READING 20 MINS EACH DAY

'It may feel hard to find 20 minutes each day to read with your child, but the cost of not doing this is far too great. Children who read for just 20 minutes per day see 1.8 million words each year and have scores on standardised tests in the 90th percentile (because they have experienced so many words!). Compare this with the child who is reading for just 1 minute per day, they only see 8000 words each year and have scores in the 10th percentile on standardised tests. A small amount of reading each day makes an incredible difference!' (Nagy and Herman, 1987)

This is a lovely read for parents and educators alike, and describes how easy it is to support children's reading development. 'Reading Magic' by Mem Fox: Mem Fox is a renowned children's author (she wrote 'Possum Magic').

Covid-19 Audit

All DET schools have been notified that they will undergo a Covid-19 Practices Audit and we had our one last week. The auditor was very impressed with our practices, thank you to Mr Wilson who has been co-ordinating and communicating our school's practices. The auditor did recommend that we continue with our social-distancing practices for arrivals and departures, given our small school site.

Melton District Swimming Carnival

On Wednesday 3 March, twelve students represented Exford at the Melton District Swimming Carnival. All our competitors represented our school with pride, demonstrating Respect, Kindness and Personal Best.

We have 4 students now going to the Divisional Carnival next Wednesday, including Ryder, Charlie, Amy & myself. We are super excited to give it a red-hot crack.
By Zane

Some of us won a ribbon for coming 1st, 2nd or 3rd. Unfortunately, our school didn't win overall. We were proud to represent Exford and made sure we had fun. Everyone did awesome on Wednesday and swam like mermaids. From all of us, thank you Mr Gundry and Mr Young, for supporting us and taking care of us. By Amy

Office News

Easter Raffle (Fundraiser)

During March, we ask our families to donate Easter goodies for us to make up into Easter Raffle Hampers. Raffle tickets were sent home with your child/children on Friday 26 February, for you to sell to family and friends.

The Easter Raffle will be drawn at the final Term 1 Assembly on Thursday 1 April at 2:10 pm.

Please send along your Easter goodie donations!

Casual Replacement Teachers

As you may have seen from Seesaw messages we have sent classes, CRTs are quite hard to get this year as many of them have been picked up in the Tutor Learning Initiative. We have a steady pool of private CRTs and we also use a CRT agency. However, when we can't get a quality CRT to cover a teacher absence, we will divide the children across their cohort, and the children follow the team's planning in that classroom for the day. Our Prep classes are so small (14-16 children), that dividing one class across the other two classes will be our main strategy for covering teacher absences.

Easter Bonnet Parade

During the last week of Term 1, Homework tasks are devoted to designing and creating an Easter Bonnet creation from Prep to Year 6. We will hold a Parade at a special Assembly at 8:50 am on Thursday 1 April on the oval and our families are welcome to join us. Face masks MUST be worn by visiting adults.

Physical Education classes

Mr Young has asked me to remind families for girls to wear shorts under their school dresses to protect their dignity as they do sports or play activities, such as when they are hanging upside down on the monkey bars!

School Council

We held our first School Council meeting of this year's meeting cycle last night and had our Annual Reporting Meeting. We tabled our draft Annual Report and this will be available on the school's website by the end of term.

We elected the 2021 Office Bearers for School Council and they are:

- School Council President - Jacki
- Vice School Council President - Sharon
- Treasurer and member of the SC Finance Committee - Naomi
- Member of the SC Finance Committee - Cherry

We ratified our 2021 Child Safe Policy, amongst others and we also discussed our upcoming Financial Audit (happens every three years as well as randomly) and our School Review (happens every four years), which was postponed several times last year due to Covid-19.

Buddy Program

I would like to say a big thank you to our Year 5-6 kids who are being fabulous Buddies to our Preps. Connor in Year 5-6 T has been amazing to his little buddy and looks out for her not just in class Buddy times, but out and about during the week as well. Ruby has taken on the responsibility of being a Bus Buddy to a Preppie who has just started using the bus and is doing a lovely job looking after her.

That's the Exford spirit of Kindness hard at work!

Office News

Asthma & Anaphylaxis Plans

A reminder to return your child's Asthma and / or Anaphylaxis plans back to the Office. If you have misplaced this document, please call Mrs Kelly in the Office.

Reading Eggs & Mathletics

Payments for Reading Eggs (Year Prep - 2) and Mathletics (Year Prep - 4) are still open. If you have an amount due, payments can be made via QKR, at your earliest convenience. Alternatively, you can visit our Office to make a payment.

School Photos

Photo envelopes have been sent home with your child / children. They are to be returned to the office on or before our School Photo Day, which is Friday March 26.

Family photo forms are available at the Office.

Sick Bay Spare Clothing

If your child has borrowed spare clothing from our Sick Bay, can we have those items returned, please.

CSEF - Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like:

- School camps or trips
- Swimming and school-organised sport programs
- Outdoor education programs
- Excursions and incursions.

Who can apply?

Families holding a valid means-tested concession are eligible to apply.

Please visit our Office to collect CSEF forms if you believe you are eligible for the CSEF payment.

Parents who receive a carer allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with the above.

Eligibility will be determined when the parent's concession card successfully validates with Centrelink.

Attendance ... Every moment of every day counts

Did you know that:

When children regularly arrive late, they miss out on so much:

- They miss on the lovely morning meet and greet that connects children to their classmates, staff and classroom environment and is an important part of children feeling that they belong
- We schedule literacy and numeracy for our morning lessons - so regular lateness means that children are missing critical learning
- The opportunity to prepare for the school day (including changing their Take Home book for reading that night)

Please help your child to arrive on time for school every day - especially as we try to support children even more after the Remote Learning challenges of 2020.

Please make sure that your child is only absent if they are unwell - EVERY day at school counts.

If your child has missed 5 days or less this school year.

This will support your child to achieve their best at school - academically and personally.

If your child has missed more than 10 days this school year.

The amount of time your child is missing will impact on their learning and their friendships.

If your child has missed more than 15 days this school year.

Your child is missing so much time from school that it will be extremely difficult for them to keep up with their learning, their friendships and to feel connected to school.

A reminder that all holiday absences require an Absence Learning Plan, developed with your child's teacher and signed by the Principal or Assistant Principal to cover your child's absence.

Please make sure that you use the FlexiSchools app or email the school directly on oxford.ps@education.vic.gov.au - all student absences must be explained in writing.

Fundraising News

Our 2021 target is...

\$15,000 - \$20,000.

Our Tally so far...

\$0.00

Our Fundraising efforts work hand in hand with our school's ICT budget to provide our kids with iPads, laptops and other technologies.

We will hold a range of fun fundraising activities throughout the year, some are traditional parts of our fundraising approach and these happen each year.

- Term 1 - Easter Raffle
- Term 2 - Mother's Day Stall (helpers needed)
- Term 3 Book Week - Read-A-thon' activity
- Term 4 - End of year Raffle and Christmas Concert BBQ

Our Term 1 Fundraising activity is our Easter Raffle and we ask our families to donate Easter goodies for us to make Easter hampers as prizes. We will send home Easter Raffle ticket books next week and we ask our families to sell the tickets to families and friends.

If you are interested in helping out with the Fundraising activities at our school, please contact Ms Campo through the FlexiSchools 'Contact the Principal' link.

Reusing Water

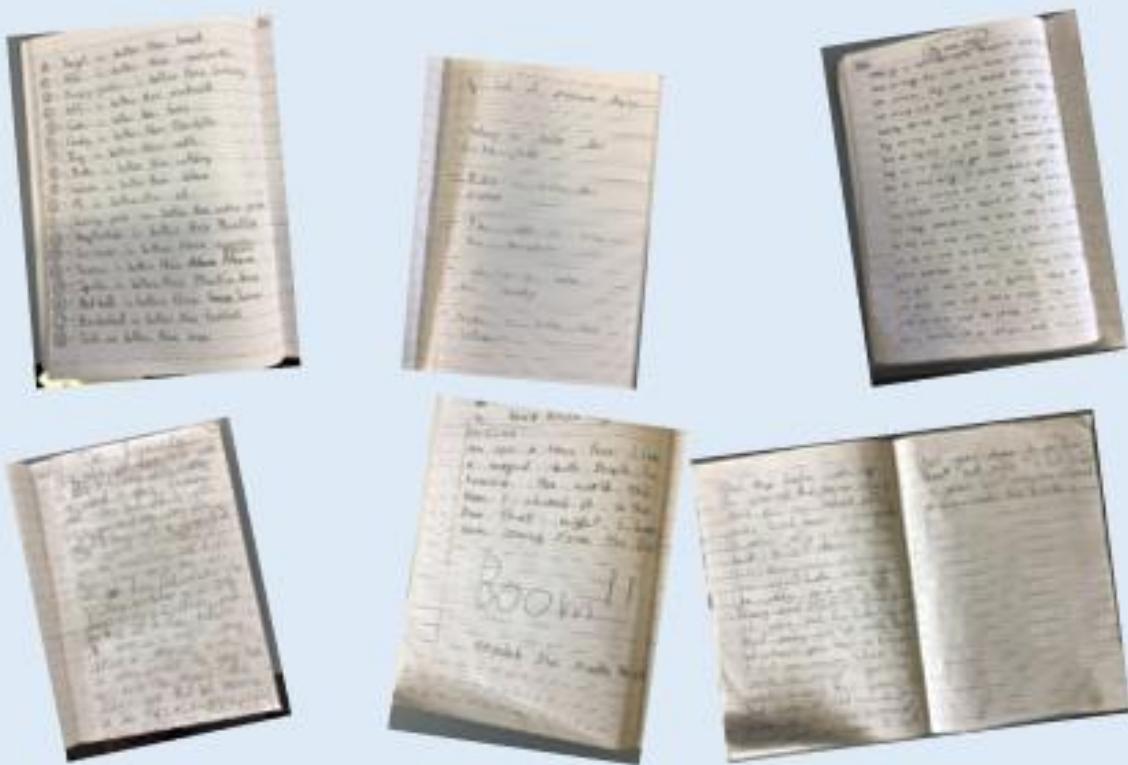

Prep Smyth

On Friday Prep Smyth went outside to look at the containers that are under the drink taps. We discussed that the containers are under the drink taps to catch the extra water when we drink from the taps. The water that gets collected in the containers then gets poured onto the plants at our school to help keep them alive.

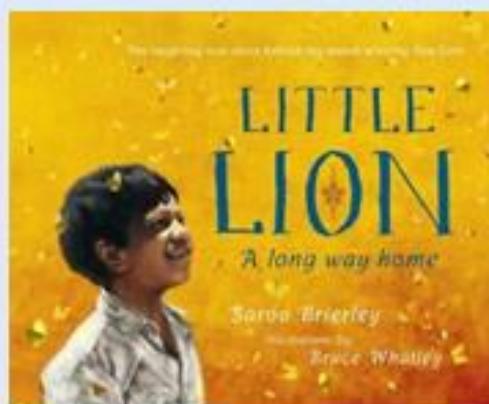

After we emptied the containers of water onto the plants we came back inside to write and draw about our experience. We have been working on adding detail to our pictures.

In 3/4 Patty this term, we have been working incredibly hard on our narrative writing, every single member of our class has displayed that we have a wealth of ideas that are out of this world! As we move onto a persuasive writing focus, we are more excited than ever to share our ideas with the rest of Exford PS!

We also had a chance to read and work through the book Little Lion: A long way home, as a class we loved and became incredibly invested in this story!

What's happening in Art?!

In Year Prep we have been practising fine motor skills. We made dream catchers and practised our weaving!

We made tickle monsters and colour wheels.

In Year 1-2 we have used Magiclay to make butterflies from *The Very Hungry Caterpillar* and air dry clay to create pot plants.

In Year 3-4 we worked on superhero self portraits full of texture.

Now we are exploring colour and creating silhouettes.

In Year 5-6 we have created watercolour landscapes.

Now we are beginning 3D construction to use in PE.

MPSSA SWIMMING CARNIVAL

A HUGE CONGRATULATIONS to all 13 Exford Swimmers, amazing effort and results on the day! A massive thank you to their families for supporting this event! Special mentions to Ryder, Charlie, Amy and Zane for making it through to the Divisional Carnival last week!

Adele (3-4 G) placed 3rd in her U11 Breaststroke

Ryder (3-4 R) placed 2nd in his U10 Freestyle

Elissia (3-4 P) placed 3rd in her U10 Freestyle

Charlie (4-5 M) placed 2nd in his U11 Breaststroke

Harrison (5-6 T) placed 3rd in his U12 Backstroke

Zane (5-6 G) placed 2nd in his U12 Freestyle

Amy (5-6 G) placed 2nd in her U12 Butterfly

Our Exford Relay Teams!

The U10 Girls 4x50m Freestyle Relay gave a brave effort in the cold and the Under 12 Boys 4x50m Freestyle placed 3rd!

Helping everyone to be mentally healthy.

School Photo Day is fast approaching.

Have your child's school memories captured forever

on Friday 26th March 2021

Your photo order envelopes will arrive shortly. Please start planning your purchases and payment options.

Remember these helpful points:

- Read all relevant instructions for your preferred payment method.
All payments are due by photo day.
- You may pay online using your credit card. Each child will have an individual '**shootkey**' listed on their envelope. This will help identify your child's order.
- You may pay by cash using the individual envelope provided. Please enclose correct money as no change will be given.
- **Sibling photo envelopes are available at the school office upon request. THESE PHOTOS WILL BE TAKEN DURING SCHOOL, ON PHOTO DAY, USUALLY AT RECESS**
 - Please instruct siblings to attend the photo studio during this time. Photographers are unable to search for students who do not attend.
- Do not seal envelopes inside each other. You may include payment for all children in one envelope, however, please indicate on this envelope the names of all the children you are paying for.
- All students should wear their correct school uniform.
- All forms are to be returned to Exford PS Office, on or before photo day.

Some of the fun we had here at OSHClub during the Moovosity program!

WHAT'S BEEN HAPPENING...

This fortnight we said goodbye to Maddy who went to another service who needed help. We wish her all the best in her new role and we hope to see her again soon! Kim and Georgina are now the permanent educators at the service, and we look forward to getting to know the school community over the coming weeks.

We have begun our 'Moovosity program' which encourages the children to engage to participate in physical play. We have enjoyed some new games such as STIKER! It has been great to see so many children getting involved.

Some of the feedback we have received from the children:

I've liked moovosity because we can play new games- Koen
I loved the races!- Emity

Enrolling into Secondary School

State Secondary Schools in Melton work closely together to provide each and every student in our schools with an enriched and positive experience. We pride ourselves in the quality education we provide.

All government schools are bound by the Department of Education Neighbourhood Schools Policy to guide enrolments. For families seeking enrolment of their children into a state secondary school, the following guiding principles underpin the policy, enrolment process and requirements.

The Neighbourhood Schools Policy seeks:

- To provide each child with the right to a place in a designated neighbourhood school.
- Enrol students with a sibling at the same school at the same permanent address who are attending school at the same time.
- To contain enrolments in each school within the limits of available resources.

If you are unsure of which is your designated neighbourhood school, please visit:
